BANGALORE CITY MUNICIPALITY.

NOTICE.

The unsold building sites in the 5th and 6th blocks of the Basavangudi Extension as per schedule hereto attached will be sold by public auction on Monday the 11th September 1916 and following days, commencing each day at 7-30 A.M. on the spot by the Honorary President or any officer deputed by him on this behalf. The Honorary President reserves to himself the right to accept or refuse any bid without assigning any reason.

1. The purchaser whose bid is accepted, shall deposit 25 per cent of the amount of his bid at once on the spot; and the balance shall be paid within 15 days from the date of sale, in default of which the deposit made by him will be forfeited and the site resold at the risk of the purchaser.

2. Where the auction purchaser is a Government official, the President may permit the price of the site with an interest of 10 per cent per annum being paid in monthly instalments not exceeding 18 in number. This concession may be extended to non-official purchasers also in case adequate collateral security is furnished by them. The deposit specified in para 1 shall be payable by officials and non-officials alike.

3. The purchaser shall, within 30 days from the date of the sale, before delivery of the site, be required to execute an agreement on an eight-anna stamp paper binding himself (*a*) to construct over the site a house according to a design to be approved by the Municipal Council within a period to be specified in the agreement. Such period shall not ordinarily exceed one year in the case of buildings, costing Rs. 3,000 and less, two years in the case of buildings of higher value, (*b*) to start construction within three months and (*c*) to enclose within a period of six months the site or sites purchased by him with a compound wall or a decent wire-fence of dimensions to be approved by the Municipal Council.

4. Failure to comply with the conditions agreed to by the party as abovementioned, will involve the resumption of the site by the President of the Municipality free of all encumbrances and without any claim to compensation.

5. The site which has been designed as a unit for the particular locality and shown in the plan will not be allowed to be split up into two or more house sites.

6. Not more than one main dwelling house will be permitted in each unit site described above.

7. A minimum width of 10 feet open space between the front compound wall and the building and a minimum width of 4 feet open space in each side of the main building will be insisted on.

8. No out-houses shall be permitted in the open space between the compound wall and the front plinth of the main building.
